

### Zero9

Meet Christians from across Ireland, study the Bible and apply it to life. Explore God's command to take the gospel to all nations. Have fun, eat, pray, relax and try something new. Jonny Gibson will bring the challenge of mission, laying biblical foundations, inspiring passion and giving practical advice about getting involved in God's global purposes. We will go on a journey from the Shankill to Singapore and be challenged to step up and be counted in God's work.
